DiLand Kiosk

Release by Credit card with Stripe Terminal

You need:

- PC with Windows 10 or 11 operating system
- Stripe account
- Stripe terminal BBPOS WisePOS E (other terminals are not supported).
- Stripe terminal must be active and connected to same local network of the PC and to internet.
- Latest DiLand software version (software updates expiry date must be a future date)

Enter Stripe dashboard (webpage for Stripe settings: https://dashboard.stripe.com/login):
